BLACK

MONTH

FEBRUARY 2021 GATHER GUIDE

WWW.KINGDOM.GLOBAL

HAPPY FEBRUARY KINGDOM,

Can you believe it we're already in the second month of the new year? We have kicked off the new year with a powerful revival, impactful time of fasting as well as fasting, prayer and so much more. While last month was great I am really excited about February 2021. As we celebrate Black History Month you will see us celebrate on Sundays during worship, during our special courageous conversations Bible Study on Tuesday night and several other ministry events. Our students will also be celebrating Black History Month in their groups. Please make sure you contact those ministry leaders for details.

Also in February we celebrate the Lent Season as we prepare for Resurrection Sunday and all that it means for us as followers of Jesus Christ. On Ash Wednesday, February 17, from noon to 5:00 PM, you can come to the church and receive your imposition of ashes and blessing from our ministerial staff. You will remain in your car as we continue to practice social distancing. We will also have a church-wide daily Bible Plan for Lent that we are asking everyone to participate in and join. All you need to do is text the word "Lent" to 313131 to join the plan. I am so thankful to all of our ministry leaders throughout this season as they continue to pray, plan and prepare to serve our congregation and community. Please take advantage of the ministry opportunities and lessons for all age groups and life levels here at Kingdom Fellowship.

There is also exciting news with our Kingdom Builders campaign as we come closer to seeing our new base of operations become a reality. The staff and I stop by the building several times a Month just to see the progress. It is marvelous to see what God is doing there and it is all because of God's grace and the faithfulness of your giving toward the vision. While I am excited about the Kingdom Builders campaign on how God is moving at our Church house, I am also encouraged by the testimonies we have heard from your homes as you complete Financial Peace University and conquer the enemy of debt.

Don't forget to read through this entire Gather Guide, and share it with your friends and family so that they can also get involved with all that is happening here at Kingdom Fellowship AME Church. I look forward to seeing you in worship as we celebrate Jesus and remain Kingdom Focused!!!

Rev. Matthew L. Watley,
Senior Pastor

K**B** KINGDOM BUILDERS

UPDATE

As we celebrate Black History Month we are reminded that the Black Church has always been the best continuing, organized entity in our community for effective change in the lives of our people. We are inspired by this and recommit ourselves to building a base of operation that will continue this legacy. Our impact will be local, regional and global in meeting both the spiritual and felt needs of our neighbors.

We invite you to join the over **1,240 households** who have invested **\$3.3 million** as of January 31st in this effort. Our goal is to raise another **\$1.7 million** by November 30, 2021. We thank you for giving. We thank you for praying.

On Friday, February 5, 2021 we were blessed to have our Kingdom Fellowship AME Church Bible Placement Ceremony. Pastor Matthew Watley placed a Kingdom Fellowship Bible at the foundation of our future pulpit. Pastor and everyone in the future who stands at the pulpit will be standing on the word of God.

Kingdom Story From:

Bro. Kwame

As I think about the reason I am compelled to serve every Saturday morning at High Point High School with the GO Team, I have one overarching thought...God has been so good to me, how can I not serve?! It is often said that the true measure of one's faith can be made clear in trying times. We are most certainly in trying times. With a global pandemic, disproportionately affecting the African American community, with a divided country, and an economy teetering on the brink of disaster, I can see how it might be difficult to feel God's presence, but that has not been my experience. God has kept my family throughout. That is not to say we haven't been affected. We have. We've lost family, friends, and love ones. We've been affected economically, and we have been affected emotionally; but through it all the Lord has kept my family "whole", we haven't wanted for anything and we've been blessed, and because I know that is not true for everyone, I have a responsibility. A responsibility to do my part and to be a blessing to those that haven't been as fortunate as I have been. As a man of God, I know He is looking down on me with a mandate to use my gifts to be a blessing to the Kingdom. I am able, so I need to help. I don't want to sit on the sidelines and wait for someone else to do it. The need is great, and it is important for me to set an example to my children and others in my situation. If you can help, you have an obligation to do so. My prayer is that when my time is over the Lord will look at my life and say well done. That's why I serve!

**KINGDOM
CARES**
"WE COMMIT TO GO"

Kingdom Story From:

Shantel Thompson Davis *Kingdom Cares Volunteer Lead*

What motivates me to serve each Saturday with Kingdom Cares Food Distribution are the families we serve, and all whom I serve with. In the beginning of 2020, one of my goals was to be more intentional about giving my time and my talents to God. I became furloughed at the beginning of the pandemic and was offered an opportunity to help with Kingdom Cares. I didn't realize this at the time, but God was not only giving me a opportunity be more intentional in my relationship with Him. God was also teaching me new way on how to love and to be present in the lives of others. Now that God has blessed me with these new relationships, being a friendly familiar face and every Saturday is what drives and motivates me to keep on serving in the midst of such an uneasy and uncertain times.

I'm not exactly sure what each family is going through, but regardless, I love to help them to feel supported alongside a church who truly loves and care for its community. I'm so proud of my faith family at Kingdom Fellowship and grateful for the ways God is using His people for the advancement of His Kingdom. I'm honored and humbled by the opportunity to be a part of that.

Testimonial

Testimony from Kingdom Fellowship Member, Cara

I stopped by the church and picked up my KFAME Bible and New Member's goodies. Thank you all so much!! I've been telling all my family and friends about my "New Member Swag Bag." It seems like everything KFAME does is well thought out and intentional. I also received a prayer kit along with a communion packet. When I saw the bless oil I couldn't wait to call my dad and tell him. :) Thank you all again for the warm welcome to Kingdom Fellowship. I look forward to growing with you all.
